OBITUARY

About 18 months ago the Overview reported how the 1920's era street sign at the corner of Franklin and Mayview — the one with the Kaiser Wilhelm finial on top — had been lovingly restored by the Parsons family. Alas, early this year, while the sign was diligently performing its duty, it was mowed down by a large vicious truck. City sign gurus declared that it could not be resurrected.

Why not 2K? It Rhymes with FHRA

Since more than a third of the 180 FHRA members who signed up in May provided us with their e-mail addresses we've decided to give you ours—it's fhra2000@hotmail.com. We promise to use your addresses sparingly, but we'd love you to use ours often to let us know what's on your mind.
